The Dedication

Changes are inevitable and Wichita Falls Senior High School cannot escape them, although it has reigned for thirty-five years as the only high school in the city. Through its unity it has become strong and has built high standards of accomplishment in every student. WFSH has always sought to develop in every graduate a sense of duty toward his generation and a longing to play worthily his role in life. Many of those who now run our government, make our laws, cure us when we are ill, help us when we need spiritual guidance, teach our children, build our roads and skyscrapers, defend our rights, and fight for our freedom are graduates of this school.

Some of these graduates walk confidently along the streets of Wichita Falls daily, wearing the invisible stamp of the Coyote spirit. Many of them think, as they go along, of their sons and daughters now in WFSH who are also developing that willingness to share both the good and the bad with resolute hearts—the unmistakable sign of graduates of this school. Yes, many students remain or return to Wichita Falls to further the growth of the city and send their children to the school that merits the confidence of every family. That indefinable spirit remains in each one and draws him back to his home town ready to strengthen it with loyal devotion.

With great pride and sincere affection, the 1961 Coyote Staff, who recognize and appreciate this high school, wish to dedicate this yearbook to Wichita Falls Senior High.

That Coyote Spirit

"That Coyote Spirit" is something that cannot be explained in a few words or sentences. It can develop for every person who attends Wichita Falls Senior High a deep loyalty and respect for his school. A visitor to the building may be amazed at the air of excitement in the halls, cafeteria and classrooms and overwhelmed by the enthusiasm displayed at a pep rally.

However, this invisible force, symbolized by the Coyote, is broad in its scope. It permeates every organization and activity in our school. It enters the classroom where the teacher's careful guidance encourages each student to apply himself and to prepare for a good future. And certainly this spirit reigns confidently in all athletic events. It is present in the awed hush when the morning devotion is heard or in the assemblies when fine music rings in the air or a speaker directs attention to serious matters of moral significance.

All of these combine to form the spirit which we are recognizing as that extra something which makes the Wichita Falls Senior High School unequalled. It is this spirit we have chosen for the theme.

English

Coyote spirit has a way of growing with the progression of sports throughout the year. In a like manner does the knowledge of the English language grow with the student as he advances through the Department of English in Wichita Falls Senior High School.

The student earns a lasting working knowledge from a well-organized combination of literature and grammar. Through the literature courses, the students become familiar with the great authors, types of literature, provocative ideas, and another concept of the history of civilization. Through the study of grammar, every student can develop conciseness and accuracy of expression.

This department sponsors THE COYOTE NEWS; TEEN TIMES, a page in the local newspaper; and editing of THE COYOTE as a service to the school and as an encouragement to "that Coyote spirit!"

Library

Books! Books! And more books! What words more aptly describe the Snyder Library at WFSH? When a student steps through the portals of the library, Miss Natalie Gorin or Mrs. Robert Crouch assists him in a quest for information, entertainment, or reading pleasure. Books reveal their inner thoughts under covers, but the students at WFSH bubble over with "that Coyote spirit" when they take advantage of Snyder Library.

This student is taking advantage of the wide variety of reading material offered by the Snyder Library.

The Reader's Guide to Periodical Literature plays an important part in the composition of a Junior's or Senior's term theme.

Science

The Coyote Fieldhouse explodes as the spirit reaches the summit! Science also has a way of exploding the interest of each student who has studied biology, chemistry or physics. With the ever present development in satellites, bombs and space exploration, the Department of Science has an excellent opportunity to bring praise for its work in educating students for this modern world.

Biology offers the student knowledge of the living organisms around him. Chemistry provides research methods through analysis of many compounds and elements. The universal basic laws which lead to understanding of natural phenomena are taught in the physics classes. Students acquire a broader interest in their world with the study of science in WFSH.

Mathematics

Spirit can only multiply; a mathematician can add, subtract, divide and multiply!

Each student has an opportunity to acquire a thorough background in algebra, geometry and arithmetic. Eager students can enroll in the additional classes in solid geometry, slide rule, trigonometry and calculus which are taught as a preparation for possible advance placement in college.

These advanced classes are available to any qualified student in WFSH, but regular classroom work produces many promising mathematicians from the throng of Coyotes as each student prepares for his future.

Social Studies

"Remember the Alamo!" "Rome fell!" "This court is now in session!" These quotations symbolize different periods or types of history in the curricula at WFSH. People of America have long been endowed with a spirit of nationalism; the students of WFSH are endowed with that same pride, plus one more—Coyote spirit, which goes hand in hand with our heritage from our English and American ancestors. World history, American and Texas history and civics are unfolded for each student in order that we might better realize our forefathers' sacrifices for our future.

Home Economics

Girls in the homemaking classes are constantly brewing a large pot of Coyote spirit or seaming a sack to hold it. These practicing homemakers are forever bringing praise to this Wichita Falls Senior High department.

A home economics class offers methods of preparing wholesome meals or attractive, stylish clothing. Students develop their skills by serving refreshments for teas or luncheons and making their attire for a style show. Home economics offers each enrolled girl practical skills for the homemaking job which she faces in the future.

Commercial

Students of WFSH are educated in special fields through such courses as typing, bookkeeping and shorthand. Mechanical drawing and shop provide the training for careers in engineering, architecture and drafting. The world of business and finance is explained through economics and commercial law. Through office practice, students gain a knowledge of activities in a modern office. With such training, students graduating from WFSH can be prepared to meet the demand for highly trained personnel in the world of business.

Speech

In our twisted surroundings of satellites, cold wars, atomic bombs and a quest for world supremacy, the ability to express one's self accurately and thoroughly is of the utmost importance. The Department of Speech does an excellent job of training our high school students in the art of correctly and adequately transforming their thoughts or ideas to words. Debaters are often in the limelight winning state honors in the National Forensic League. A three-act play produced and directed by members of the National Thespian Society always marks a high light in the spring activities of the WFSH students. These two national organizations of speech students combine with the other branches of the department, Amateur Guild, stagecraft and regular speech classes, to compose an essential and rewarding department.

Art

A student having an interest in art has an excellent opportunity to develop his talent through the Department of Art at Wichita Falls Senior High School. Art has many expressive mediums —drawing, painting, clay sculpture or copper enameling. Commercially inclined students have a wonderful chance to put their advertising talents to good use through art instruction. This department sponsors THE COYOTE along with other helpful school projects. Beauty surrounds us, and the art students capture it for our school and community.

Music

Nothing seems to build up "that Coyote spirit" as much as music groups of our school. The band illustrates precise marching as halftime entertainment at each football game and provides a spirit booster at the pep rallies. The all-state choir brings many honors to the school. To the different branches of the music department, band, choir and orchestra, "that Coyote spirit" is much indebted.

Tennis

"What an overhead!" "Gee, look at that Pancho Gonzales serve!" Such exclamations are frequently heard on the tennis courts of WFSH. This is the "racket" sport which enhances "that Coyote spirit." Mr. Charles Avera supervises the enthusiastic students participating in the tennis classes of the high school. The team manifests "Coyote spirit" in tournaments held throughout Texas and Oklahoma.

Health

The Department of Health is an essential and helpful part of our school. Mrs. R. E. Cole, nurse, renders aid to students becoming ill during the school day. Mr. Bob Tyler and Mrs. Jack Jones teach health to all physical education students in order to instill in them a necessity for proper grooming, desirable manners, pleasing personality and rules for good health.

NDCC

The National Defense Cadet Corps battle group, under the leadership of Major H. D. Byous, is growing more and more in importance among the high school activities. With this instruction, boys learn self-discipline which helps them prepare for and meet the great challenges of their future. The cadet who realizes the benefits of the NDCC training will prove to be a man of dependability now and always.

Study Halls

"That Coyote spirit" should not be limited to intramural sports and extracurricular activities, but is also revealed through a student's academic standing. The study halls of WFSH play an important role in the student's daily schedule. It is in these quiet surroundings that he can prepare assignments, do extra work or improve his over-all standing for the days ahead.

HADDON F. MALONE, M.S.
North Texas State College

SEDT

Coyote spirit can easily be erased by a grinding crash of two carelessly driven automobiles. Safety Education Drivers' Training gives students the opportunity to learn and to practice safe driving habits in the dual controlled car of WFSH. The classroom lectures teach students safe driving techniques which prepare them for a license. As a result of this instruction and practice, the students contribute in large measure to the provision of safer highways.

Physical Education

"Set the ball up higher" is a familiar shout during a volleyball game in the physical education classes. Volleyball, basketball, baseball and tumbling are some events in which students may participate. The annual gym show demonstrates the skills of both boys and girls in sports, exercises and gymnastics. Through these physical education classes, each student can have an active part in "that Coyote spirit" as he is trained in the principles of good sportsmanship, a clean mind and a sound body.

A Great Life

Teachers and girls of the physical education department were saddened by the untimely death of Mrs. Brode M. Puckett, girls' health instructor at Wichita Falls Senior High School. In the classroom her thoughtfulness, understanding and unselfish sharing of her time made her a model for every girl. Through her efforts the Junior Red Cross grew in importance in WFSH when many worthy projects were instigated. She will be remembered and honored always as a fine teacher, civic worker and friend.

GARLAND WEEKS DON RECTOR

DONNA KAY McFARLIN

Each year for one week in October radiant smiles and friendly greetings ring with special zest throughout the halls of WFSH. This week is the annual Howdy Week when a special effort is made to welcome new students and renew old friendships. Its climax is the western Howdy Assembly in which Mr. and Miss Howdy, the students elected as the friendliest in school, are honored.

This year's finalists are Diane Cohen, Herschel Coleman, George Gilman, David Gleeson, Gary Gorham, Larry Hanvey, Tommy Harbison, Carol King, Pat Lile, Lowell McCracken, Donna Kay McFarlin, Janie Maxfield, Marilyn Meyers, Terry Nelson, Pat Payne, Don Rector, John Tatum and Garland Weeks.

The local chapter of the National Honor Society was established to stimulate high scholarship, constructive leadership, purposeful service and worthy character among the students in WFSH. Members of this society help students who are weak in scholastic abilities by tutoring them.

Each year in the spring the candidates, the upper 10 per cent of the junior class and the upper 25 per cent of the senior class, are rated by members of the faculty on the basis of leadership, service and character traits.

After this requisite is passed, members then achieve the goal of all ambitious students—National Honor Society.

The Coyote News

Under the direction of Mrs. Mary Walsh, members of the journalism class of WFSH write and help edit the *Coyote News*, school newspaper, and Teen Times, a page in the local paper. In addition, they complete the regular senior English literature course and write a term theme.

After being recommended by their junior English teachers, these seniors enter the journalism class where they edit copy, write headlines and plan layouts as well as learn the writing phase of newspaper work. Each student is assigned one or more clubs or other areas of school life to cover the entire year.

Mrs. Laura T. Doing edits and lays out the stories sent to the *Wichita Falls Times* for publication.

THOMAS SHAW
Director

A Cappella Choir

The A Cappella Choir, under the direction of Mr. Thomas Shaw, fills the air of Wichita Falls Senior High School with majestic hymns, Latin choruses, and rustic and traditional folk songs and carols. The choir includes junior and senior students that are willing to work. Each year the choir presents Christmas programs for WFSH and the Musicians Club, along with various other performances. The highlight of this year's activities is the singing of the choir's theme song, "In Peace and Joy I Now Depart," at the graduation exercises of the 1961 Senior Class.

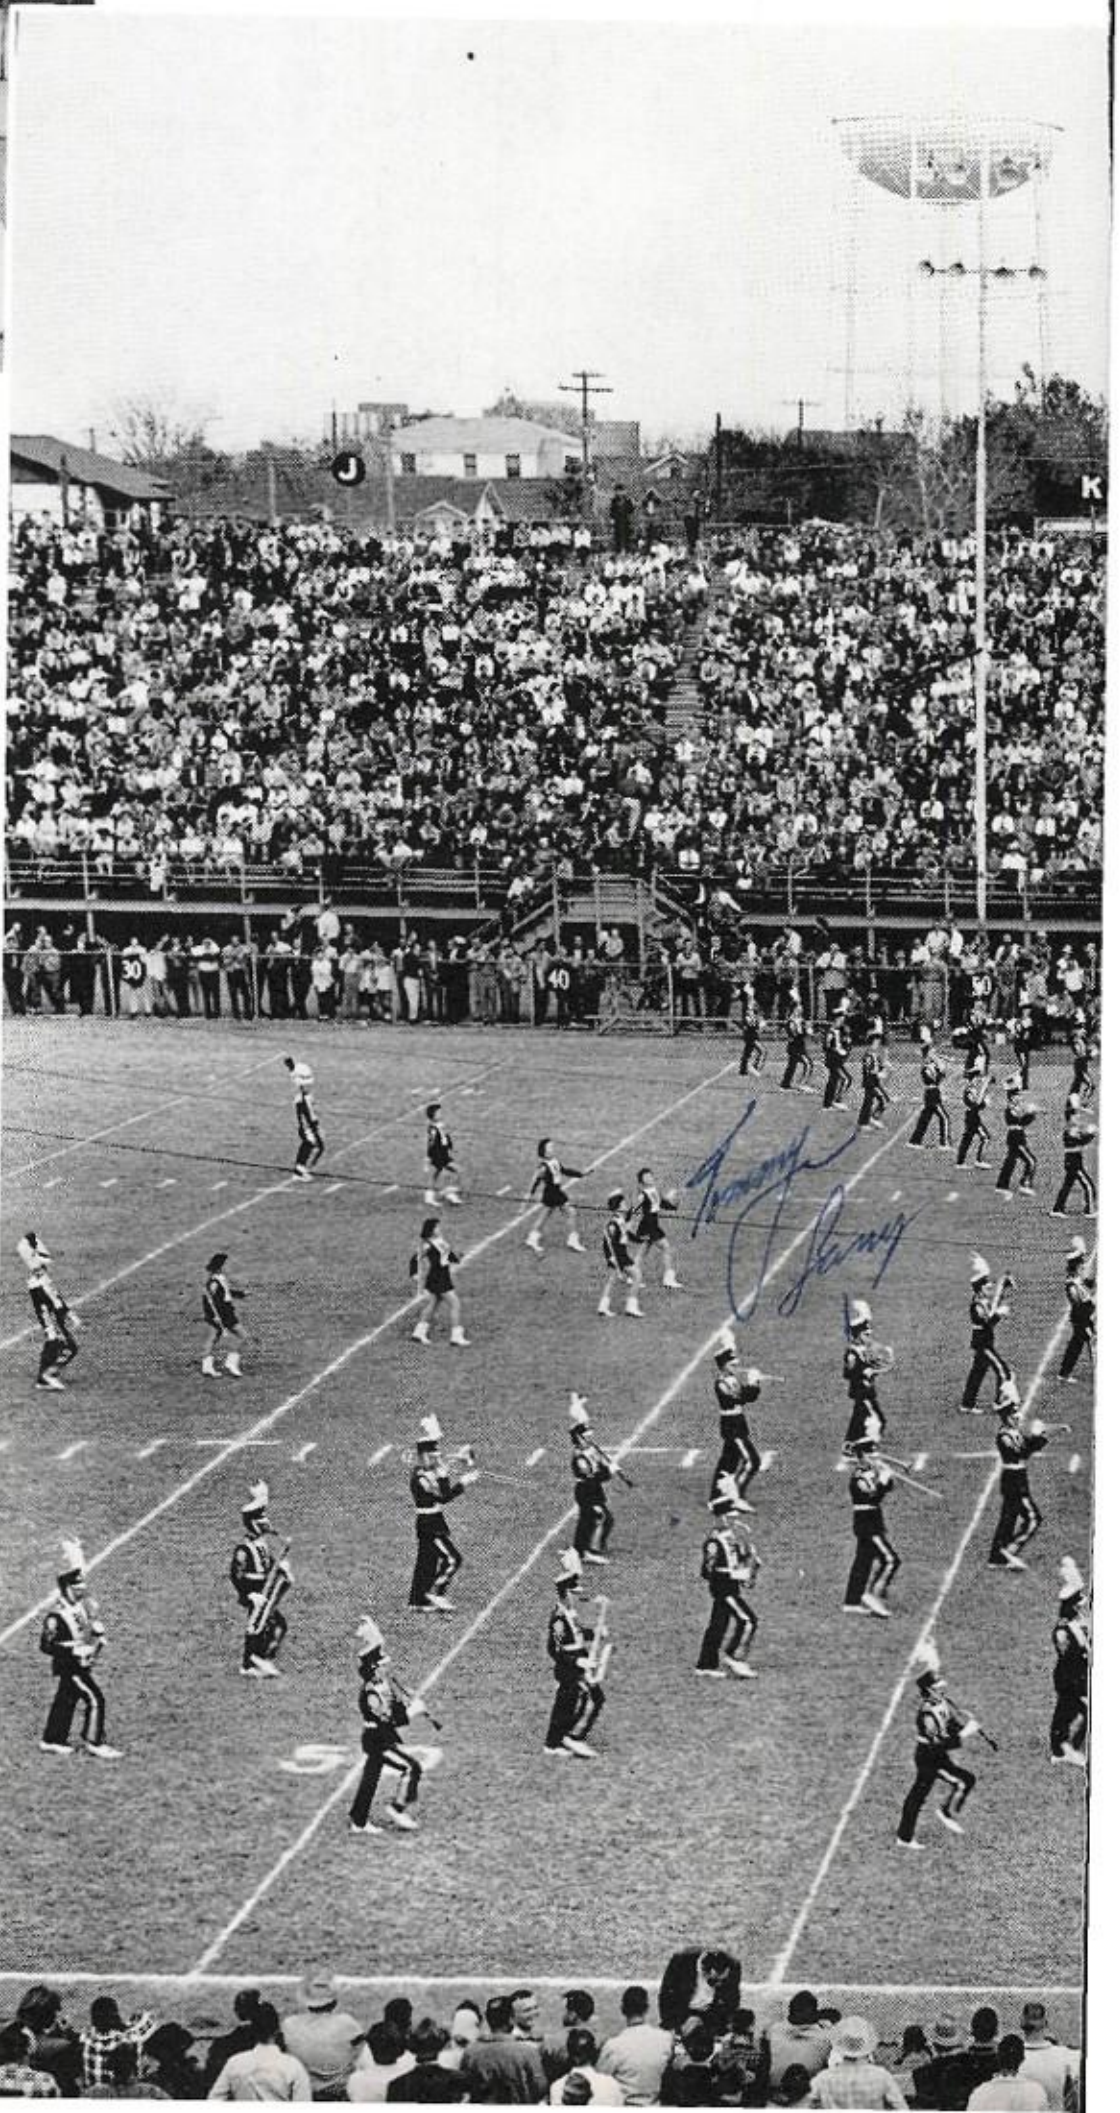
MAJORETTES
Judith Hagerbaumer, Carol Wilson and Lonna Kay Lester

The 1961 Coyote Band, our chief promoter of that "Old Coyote Spirit," should be commended for its undying spirit and hard work. Each morning at the break of dawn in all kinds of weather, this group, composed of 110 students, practices diligently and patiently to obtain perfection. Its high-stepping vigor marches WFSH on to victory and ranks it first in the annual marching contest.

Under the direction and guidance of Mr. Thomas



DRUM MAJOR—Doc Stephens

Band

Taylor and his assistant, Mr. Harold Jackson, the band presents "Variety Plus," besides performing at pep rallies and football games. Leadership and splendor are added to the marching band by drum-major Maynard "Doc" Stephens and his assistant, Wilson Friberg. Routines displayed by majorettes Pam Barnes, Bonita Goodman, Judith Hagerbaumer, Lonna Lester, Dana Thompson and Carol Wilson complete the picture.

Dance Band

In addition to presenting music for all school dances, the dance band of WFSH also performs for numerous organizations of the city. It won first place in several contests and festivals throughout the state during the school year.

Mr. Thomas Taylor is the director of the band and Mike Hassell, senior, serves as student director and conductor. Bennie Elderton is the vocalist.

The saxophone section consists of Wilson Friburg, Louis Rincon, Richard Sims, Dick Stephens and Raymond Swatzell. Bobby Walker plays the bass, and Phil Whitt is the pianist. Comprising the trombone section are Buddy Barentine, Harry Baughman, Keith Jones, Keith McElvain and James Petty. Steve "Moose" Moore is the drummer. The trumpet players include Curtis Fox, Mike Hassell, Maynard "Doc" Stephens and Leonard Winstead.

Concert Band

Variety Plus

The tenth annual production of "Variety Plus," sponsored by the Coyote Marching Band, was held on February 24. Featuring talent from the student body of WFSH, this stage show has become one of the biggest events of the school year. The theme this year was "Night Life U.S.A." Numerous committees composed of band members worked to produce this show, and tremendous hours of work went into its preparation. Roland Stewart, president of the band and a senior, served as the general chairman. Emcees were Sandy Bean, Larry Boyd and Bill Hauptman.

Concert Band

With a membership of experienced players from the Coyote Marching Band, the concert band produces the annual stage show "Variety Plus." This band also competes in contests, clinics and concerts, including the Interscholastic League contest. Mr. Thomas Taylor served as director of this band for the first time this year, and did a very commendable job. Mr. Harold Jackson is the assistant director.

at the Midwestern String Clinic. Each year it participates in an all-school assembly, provides accompaniment for the senior play and performs at the baccalaureate service.

OFFICERS and COUNCIL

Le Cercle Francais

Although only two years old, the French Club has become one of the largest and most popular clubs in school. Besides the Mardi Gras in the spring, the French Club also promotes many service projects during the year, among which is the Christmas Party at the Colored Day Nursery. Le Cercle Francais is sponsored by Miss Kathleen Melat.

Hi-Y

Under the direction of the YMCA, the Hi-Y and Tri-Hi-Y organizations strive "to create, maintain, and extend throughout the home, school and community high standards of Christian character."

During the year, delegates from WFSH attend many southwest area and national conferences.

The YMCA sponsors Pink Darlings, the Coyote Pack, baskets of food for needy families and aid to the YMCA in Bangalore, India. These service projects are tangible evidence of that "Coyote spirit."

National Thespian Society

With the direction and guidance of Mrs. T. Richard Moss, the Thespians produced fine plays and colorful assemblies throughout the year. The members of the society are pictured here at their tenth anniversary Christmas party.

The Thespian's Christmas pageant this year was "Children of the Inn."

The Thespians produced "Little Red Riding Hood" for the Children's Theater.

"The chair now recognizes the first affirmative speaker for a time not to exceed ten minutes." This familiar phrase is heard many times during the year in the debate classes of WFSH. These students, members of the National Forensic League, devote many hours to their course to represent our school at tournaments held at Sherman, Dallas and Abilene.

The league is under the direction of Mr. H. Bedford Furr.

Stagecraft

Painting beards on unsuspecting persons could be a favorite prank of members of the stagecraft group, but they do not have much time for play because, under the direction of Miss Delenna Rogers, the group keeps busy working on props for the various plays presented during the year.

Junior Red Cross

Junior Red Cross members volunteer their time and energy serving the community. One of their main projects is assigning patients at the state hospital to the homerooms. These patients receive gifts and cards at Christmas in addition to special attention throughout the year. The Junior Red Cross also sponsors monthly parties for the Senior Citizens of Wichita Falls.

Goal Post Decorators

"Help me! I'm falling!" shout the courageous WFSH Goal Post Decorators. These brave senior girls, under the direction of Mrs. Merle Anthony, risk their lives on the afternoon of every home game, arraying the stadium brightly with the Red and Black and the colors of our opponents. Maintenance

The "men in khaki" are constantly in demand by everyone in school, whether it is to clean a blackboard, fix a locker, repair a pencil sharpener, or regulate the thermostats. At various times during the day, they also manage to get all of the classrooms cleaned; and when the building is cleared of students at 3:20, they begin to clean the halls of dirt and paper.

Getting ready to tackle the many jobs around the school are Lawrence Stone, C. E. (Pop) McCalip, Jess Dudley, Ed (Sleepy) McCarley, S. P. Ferguson and Willie Shelton. Another worker is Tom Vinson, not pictured.

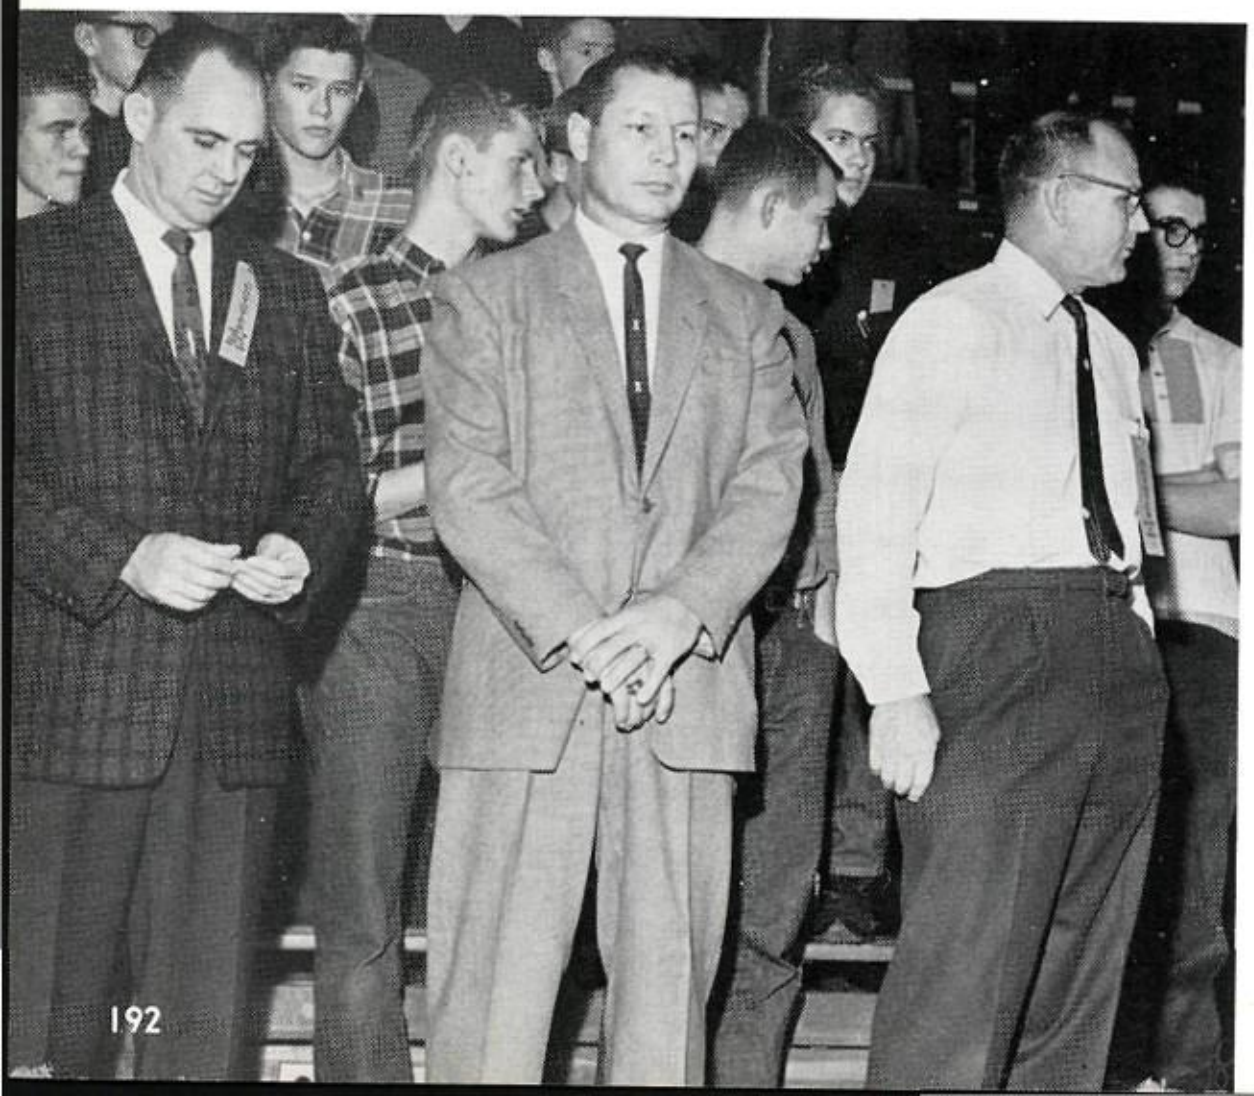
Cafeteria Staff

MRS. NELL RILEY, manager of the staff.

Serving approximately 2000 students and teachers five days a week, this efficient cafeteria staff accomplishes a very important job. Between 11:50 a.m. and 1:50 p.m. the cafeteria is probably the busiest as well as most popular place in WFSH.

Capable directors, Mrs. Nell Riley, manager, and Mrs. Ruby Mansell, supervisor, guide this well-trained and competent staff.

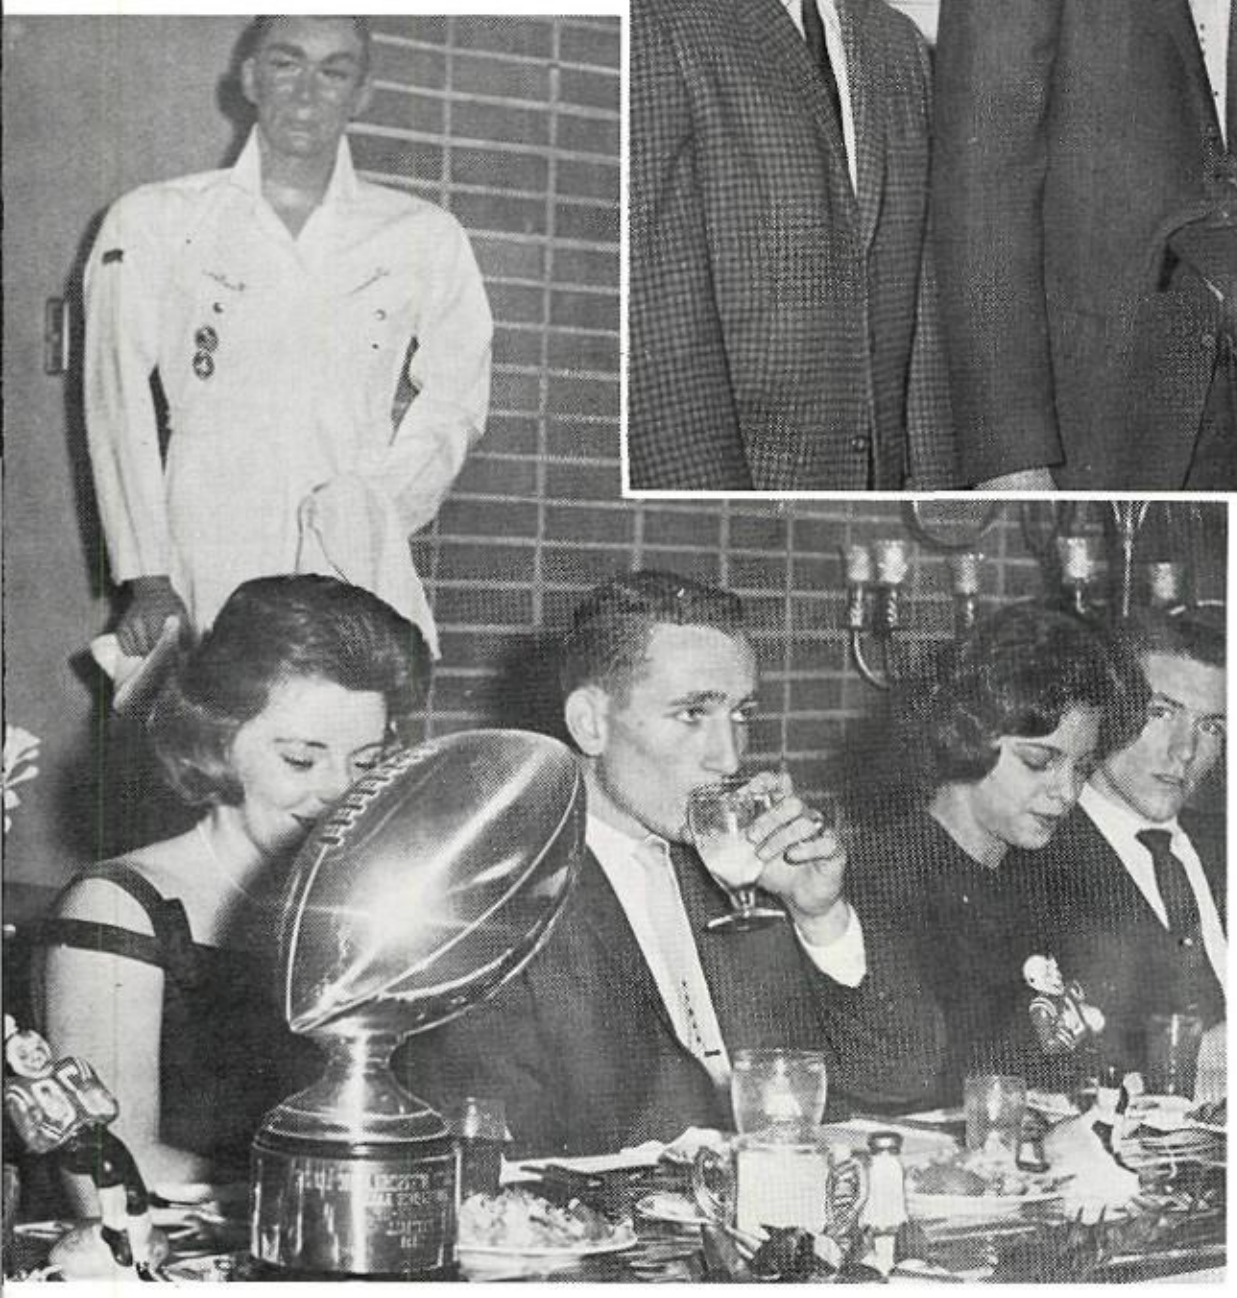
Coyote Hayride



The Coyote Hayride, sponsored by the Coyote Mothers Club in October, was the first activity honoring the Coyotes and cheerleaders. It was held at the Chateau and was comprised of a hayride, a western dinner and a square dance.

The spirit displayed by the members of the team, the cheerleaders and their dates at this event was an example of that great undying Coyote Spirit.

The assistant coaches take part in all Coyote activities.



Tri-Captains Herby Carr, Leonard Jeter and Don Rector receive their jackets from Coach Joe Golding.

Coyote Banquet

A grand finale for the 1960 football season was the Football Banquet, which was held at the Wichita Falls Country Club. Following the dinner, toasts were given by toastmaster Robert Burnam to the coaches, managers, cheerleaders, goal post decorators, fans and other people who played an important role in this year's season. The peak of the banquet was the distribution of the jackets to the players and cheerleaders, which was followed by dancing until 11:30 p.m.

1960 Coyotes

During the fall of the year Coyote spirit is centered on the football team. Returning only one starter from last year's finalists, the 1960 Coyotes were underrated and unheralded in preseason football polls. Although the little but fiery Coyotes were outweighed in every contest, their determined spirit and will to win took them once again to the State finals.

This little pack of fighters opened the season as underdogs against Oklahoma's State Champs, Oklahoma City Northwest Classen. The Coyotes were outweighed nearly ten pounds per man, but they soundly thumped the bigger boys from the Sooner State to the tune of 29-0. This brought some light into the sportswriters' eyes. The Pack's second foe was Breckenridge. This game was rated as a "toss-up," but the Coyotes did not believe in forecasts and stomped the Bucks 47-6. The Coyotes' next encounter was Amarillo. By then football observers had come to the conclusion that dynamite can come in small packages, and the Pack was rated a six point favorite. Amarillo fell 20-0. Lawton and Vernon were the next foes to fall in the wake of the mighty Coyotes. The scores of these games were 26-0 and 39-0 respectively. Odessa's fired up Bronchos followed, and the Coyotes scraped by them with a 19-12 victory.

After sweeping through their first six games without a defeat, the Coyotes began their defense of the district title against a lightly regarded Irving eleven. Irving fell before the Coyotes 27-0. Arlington was next to bite the turf! The Arlington fans were saying that this was the year for the Colts to beat the Coyotes; but the Coyotes strongly disagreed, and Arlington's homecoming was spoiled by a 34-14 victory for the Pack. The following Friday found the Coyotes journeying to Birdville to do battle with the Buffaloes, who were trampled 56-0. This victory cinched at least a tie with Grand Prairie for the district championship. Against Grand Prairie, the Pack's next foe, the Coyotes had to face their biggest weight deficit of the year: they were outweighed by eighteen pounds per man. But once again the Coyotes overcame this disadvantage and won the hard-fought contest 26-6. Along with this victory came the district crown and the right to enter the State playoffs.

In bi-district play the Coyotes met the highly rated Borger Bulldogs. The Bulldogs fell before the Pack 28-8. The following Saturday found the Pack pitted against

FIRST ROW: Donny Fowler; Kenny Simms; Ken Aboussie; Don Rector; Butch Hunn; Robert Rector, Trainer. SECOND ROW: Gordon Walker, Ronnie Shields, Mike Tracy, Mike Kelly, Garland Weeks, Coach Donnell Crosslin. THIRD ROW: Mike Gilbert, Jon Jones, Guy Fowler, Gary Gorham, Eddie Woods, Jim Estrada, Coach Hunter Kirkpatrick. FOURTH ROW: Don Allen, Don Denham, James Pope, Robert Gray, Robert Walker, Herschel Coleman, Coach Joe B. Tyler.

4A Finalists

the Ysleta Indians in the quarter-final bout. Ysleta and the Coyotes were the only undefeated teams left in 4A competition. The Indians were said to have the fastest backfield in the state, but their fleet-footed backs could not seem to get started this day as the Coyotes ran the score up to 51-0. Next, Fort Worth Paschal fell to the mighty Coyotes 18-0 in one of the muddiest games yet to be played in Coyote Stadium. The Pack had made it to the State finals for the third straight year.

The 4A State Championship game was played in Baylor Stadium at Waco, Texas, between the Wichita Falls Coyotes and the Corpus Christi Miller Pirates. The Coyotes were favored to win this game; but Miller returned eight starters from their team of the previous year, and they heavily outweighed the Coyotes. Miller won the game 13-6, but the Pack won the respect and admiration of the many who witnessed the game at the stadium or on the television screen. These people saw and recognized a valiant effort by a bold group of boys against a much heavier and more experienced team.

Coyotes of 1960, we, the students of WFSH, will always remember you with great pride and esteem!

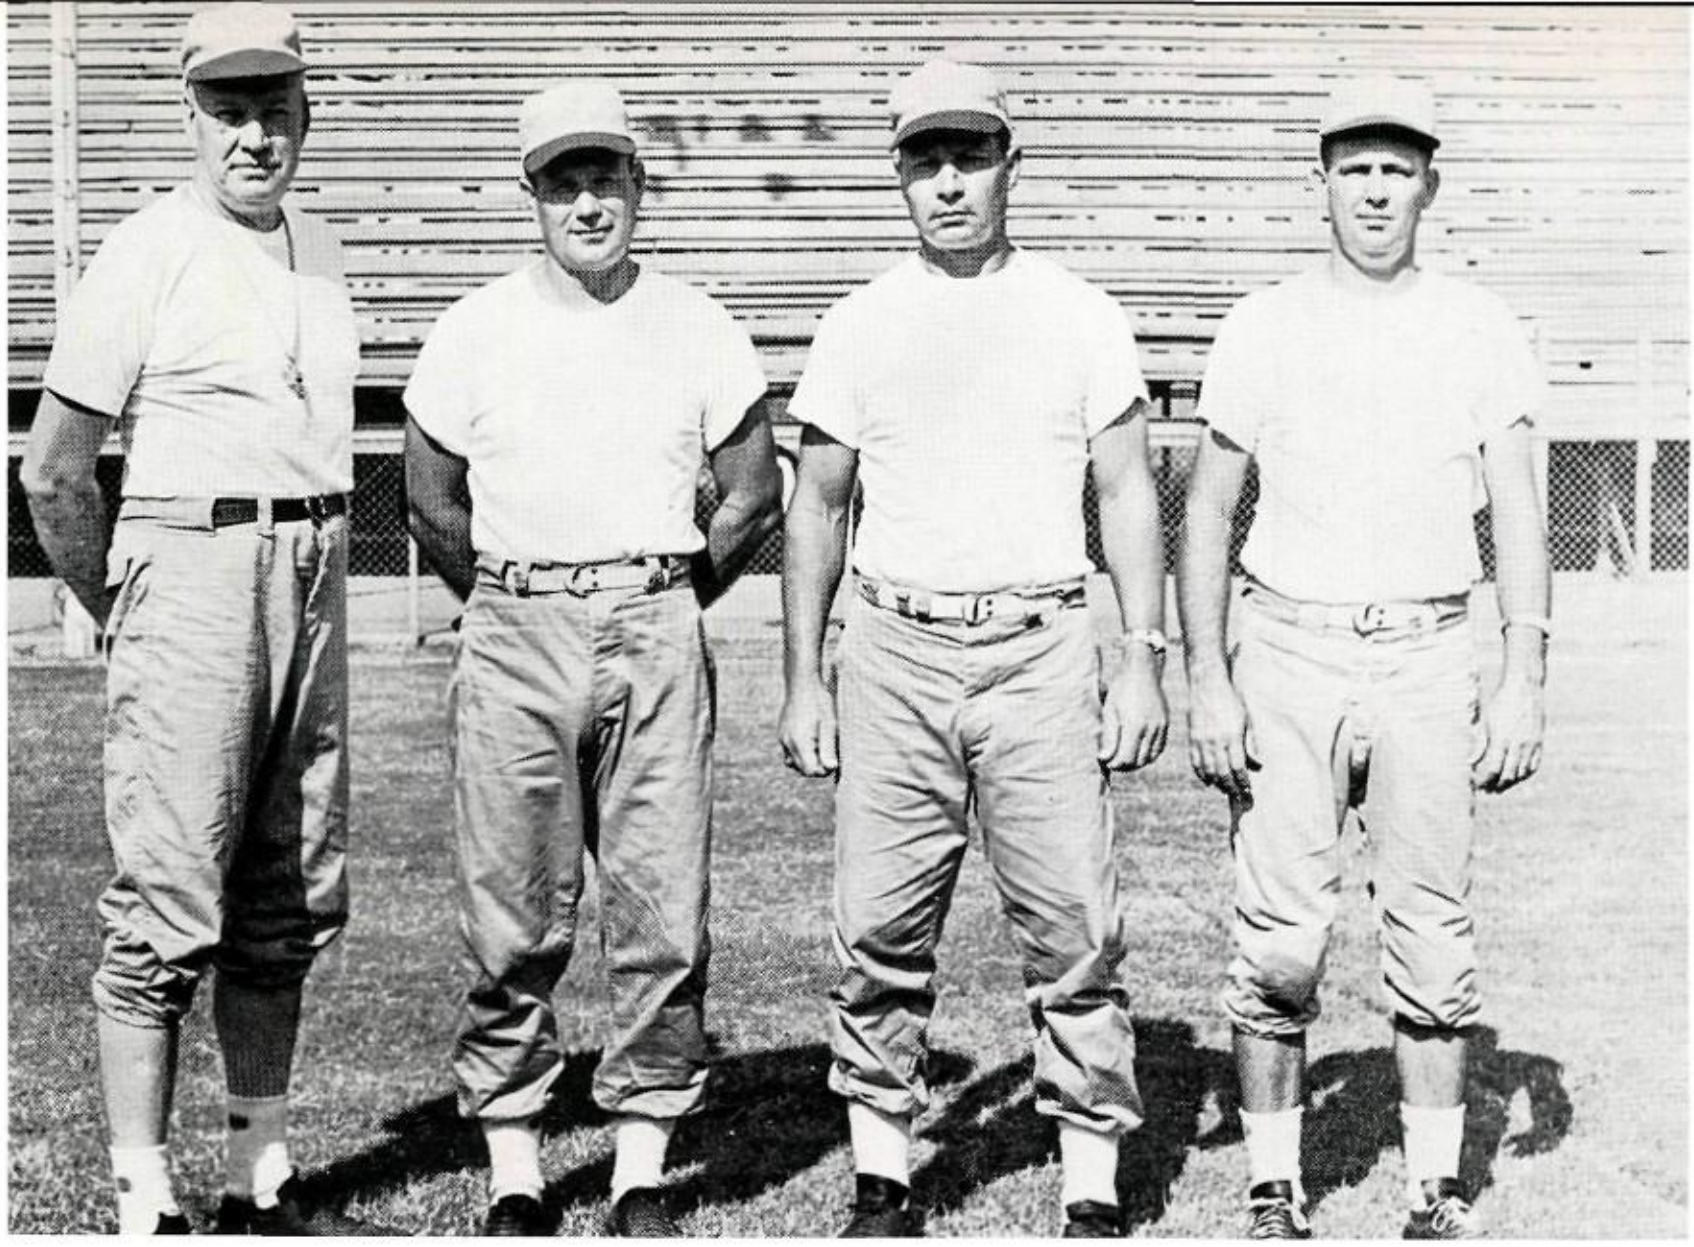
**Denotes District Games*



The Coyote coaches, Joe Golding, Hunter Kirkpatrick, Joe B. Tyler and Donnel Crosslin, once again did a splendid job in taking the Coyotes to the State finals. Ever ready with a firm but kind word and a sincere smile, these men have endeared themselves to all team members.

Leadership and inspirational play were provided by the Coyote tri-captains. These boys, Herby Carr, Don Rector and Leonard Jeter, set the example of Coyote spirit both on and off the field for each member of the "championship" Coyote team.

The most unsung heroes of the 1960 Coyote team were the managers. These boys, Kenneth Blevins, Clifford Taylor, Robert Rector and Joe Molock, did a tremendous job of "patching up" the players, cleaning and repairing the equipment and performing various other duties.

"CLYDE"

Mr. Clyde Greaves, the stadium caretaker, provided the cleanliness of the stadium and the fine turf on the field. We thank you, Clyde, for a job well done.

COACH JESS STILES COACH MORRIS MERCER COACH HERB MARVEL COACH MACK KECK

"The Little Coyotes," Rowdies, were coached to an undefeated season by four superb men. Head coach Jess Stiles took the reins of leadership to lend his boys to the new precedent in his first year of coaching at WFSH. A hearty "Job well done" goes to each of the Rowdy coaches of 1960-61!

1960 Rowdies

The 1960 Rowdy team was one of the finest in many years. This fighting bunch of boys rolled through nine games without a defeat, thus accomplishing something never done before in the history of the Rowdies. The plight of the 1961 Coyote team will be largely determined by these boys, and from all indications the job will be in capable hands.

1960-61 Coyotes

The 1960-61 Coyote basketball squad displayed a fine team spirit which won them the respect of every team they played. A group of younger boys, the Coyotes held back many taller and more experienced teams. Even though they did not win district, the varsity had a fine won-lost record and beat some powerful ball clubs. Coach Mercer's first year of coaching basketball was thus rewarded by a successful season.

Head basketball coach, Mercer, watches his team in action.

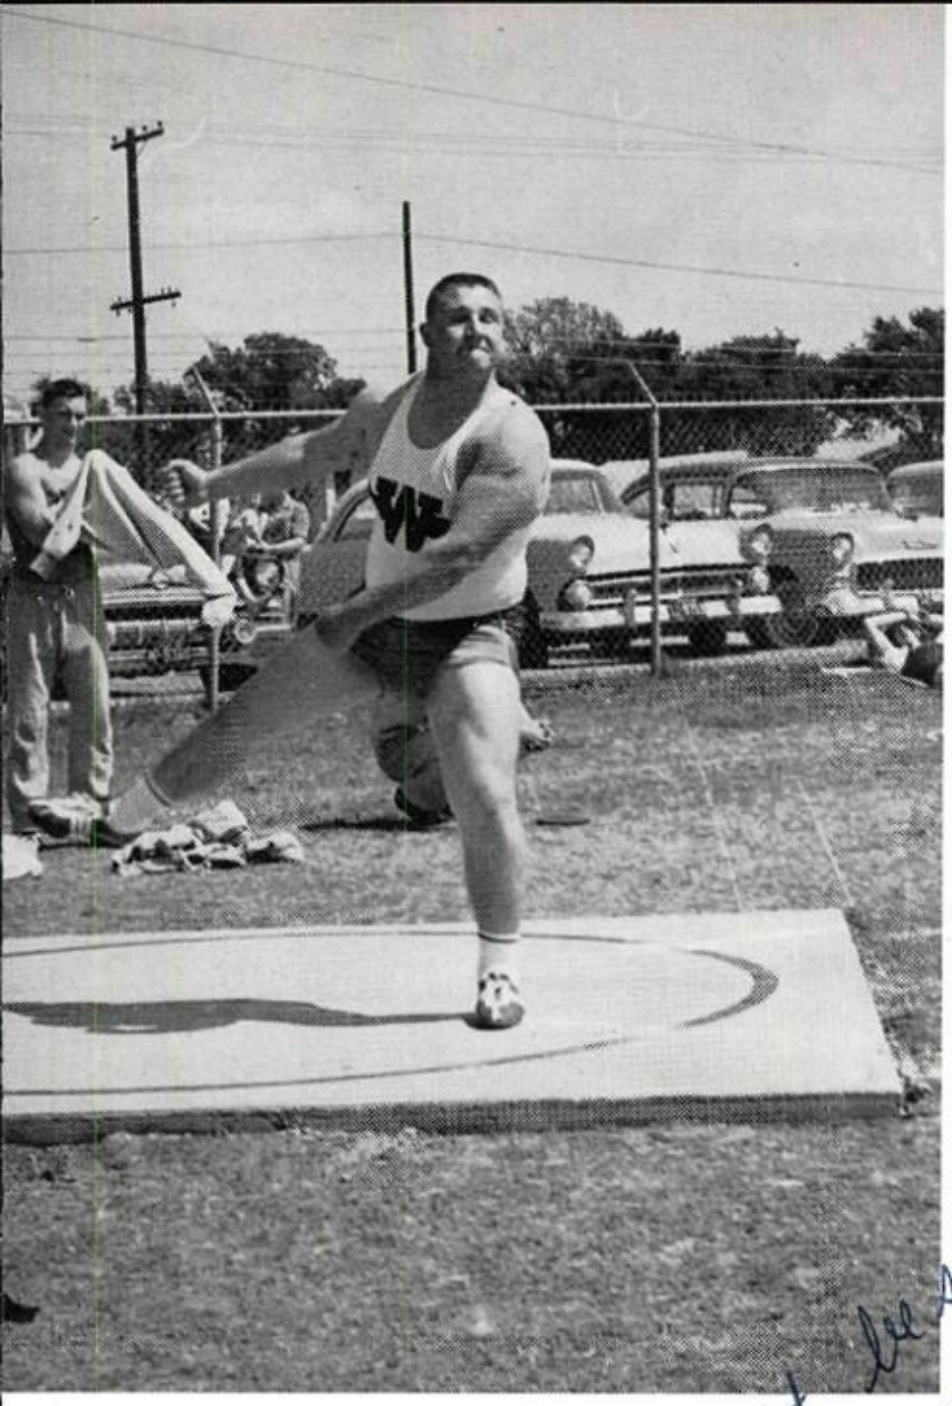
Track 1960

The Coyote Track Team had a fine 1960 season, winning two Oklahoma meets, placing second in district, and sending one boy to State. The two relays, the 440 relay and the mile relay, were the pride of the team. These two, composed of four boys each, displayed the splendid teamwork which sparked the whole team all year long.



Open your eyes, Benny!
It's not that bad.

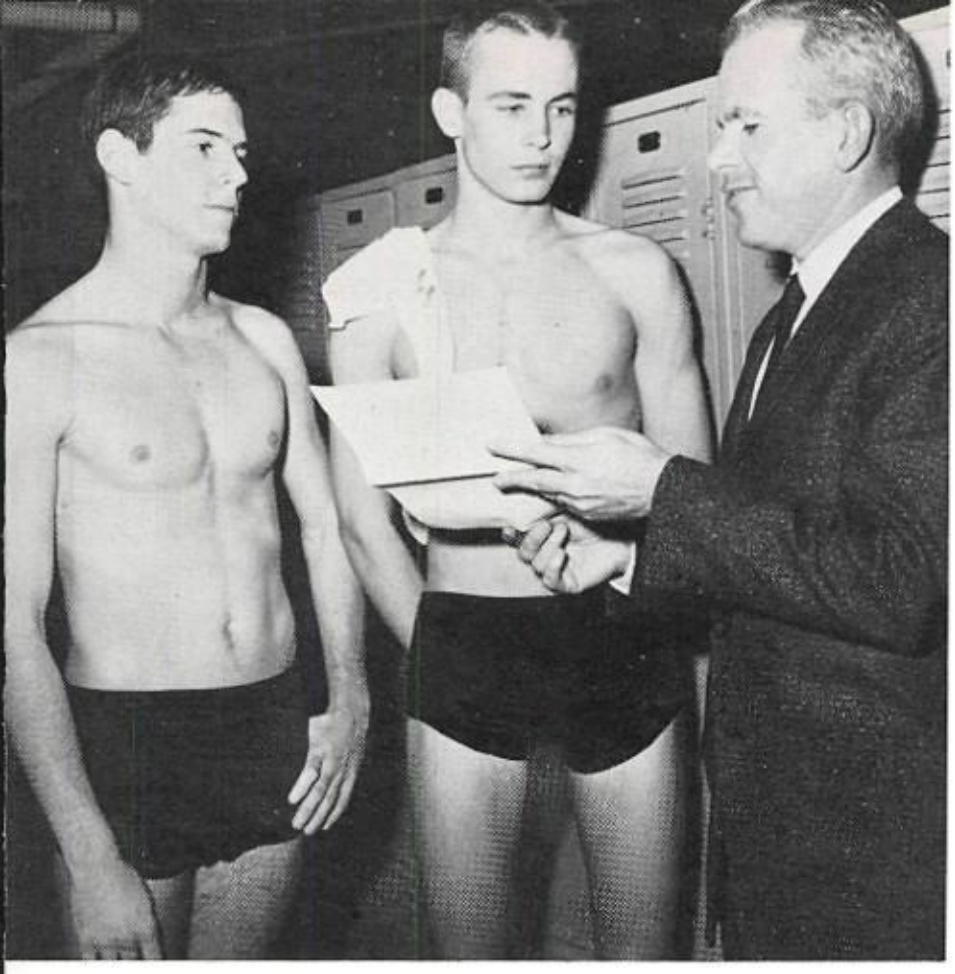
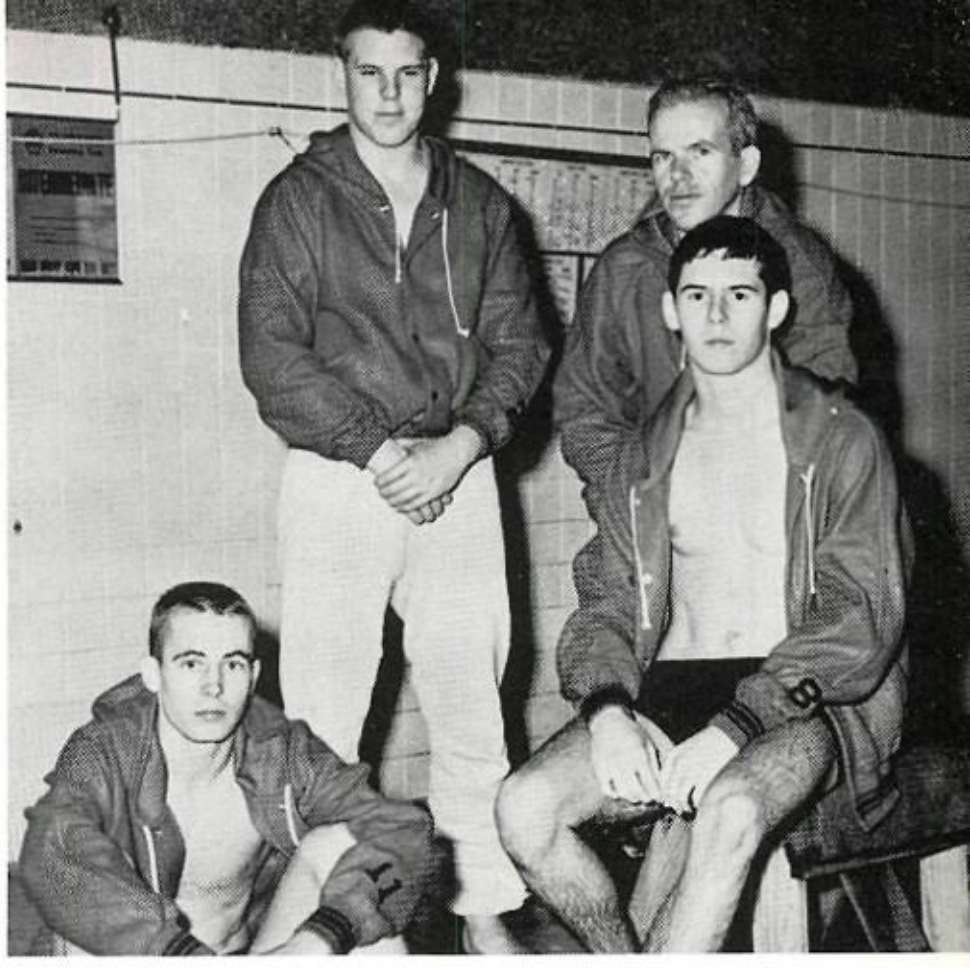
The Coyote Swim Team, under the direction of Coach Paul Strong, compiled a great record. In the first meet of the season, the Coyotes defeated the graduates of last year's swimmers. The Coyotes scored an easy victory over Fort Worth Paschal. In San Angelo, the Coyotes won by a score of 71-7. Out of twenty-nine teams competing in the University of Texas Meet, the Coyotes placed fifth. Surely, the Coyote Swim Team, with one of its strongest teams in years, will represent WFSH very ably at the State Meet at Texas A&M.



Coach Paul Strong discusses the season schedule with Eddie Sullivan and Doug Shamburger, the co-captains of the Coyote Swim Team.



Cecil Sampson, the manager, assists Coach Strong by keeping records, caring for the uniforms and performing other daily activities.

These Coyotes leave the starting blocks at a practice session.

Dear Gail,

I wish I could find an appropriate way to express my appreciation for your loyalty and kindness to me, as to all your friends). I'm close enough to you now that we can talk about things and understand each other's problems pretty well — and that makes us even closer still. It seems to me that you've had more than your share of problems, but I admire you tremendously for not showing it. You are one of the finest Christian girls I know. That's the highest compliment I could pay anyone, and I mean it with all my heart. I could write a book about all the sweet, wonderful things you are, but I obviously can't in this book. Always be the same sweet, unaffected girl you've always been. It'll win innumerable friends. God bless you. May all your fondest dreams come true.

Much love always,
